

CALICE Collaboration Meeting at FZU Prague

Wednesday, 27 September 2023 - Friday, 29 September 2023

Solid21

Scientific Programme

At the CALICE Autumn Meeting 2023 we will present recent results on high-granular calorimeters, obtained in beam tests, detector R&D and data analysis. Further an outlook on the upcoming beam tests campaigns will be given. The role of CALICE in the changing landscape of international detector R&D will be discussed.
