# **Eudet Module**

Progress of project

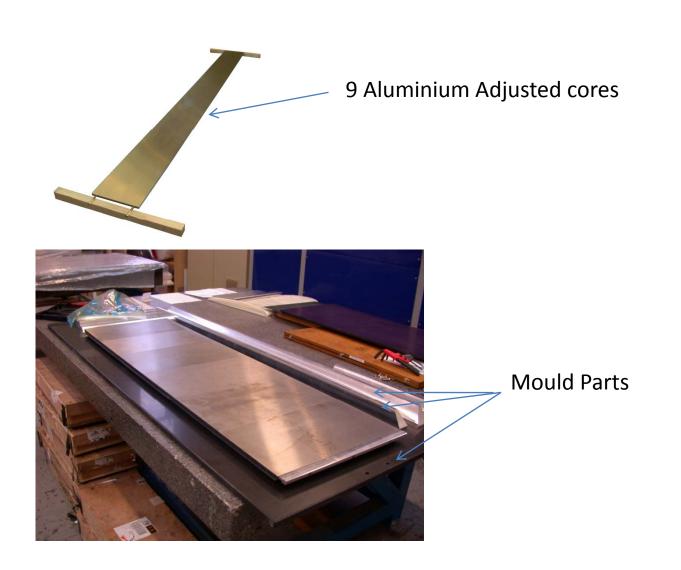

#### Purchase Structure parts

Small Plate Cell structure N°1 Cell structure N°2 Cell structure N°3 Big Carbon plate

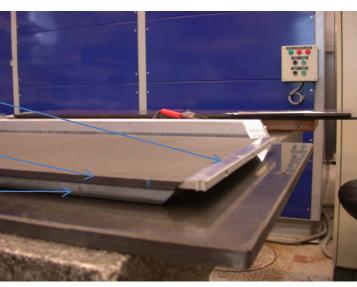

Final Temporary assembly

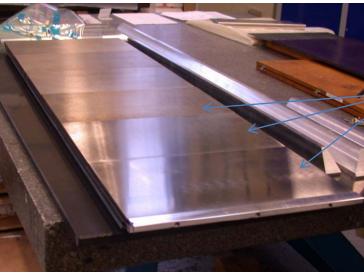

## Purchase Mould parts

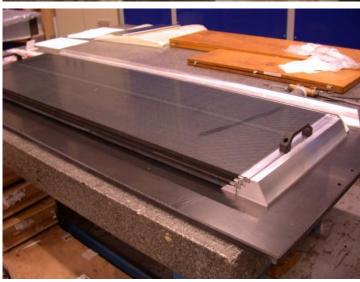

## Temporary assembly

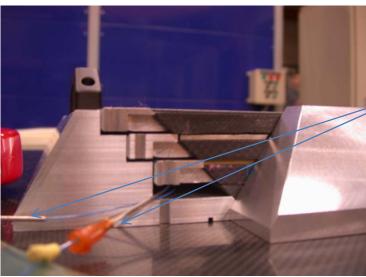

Adjusted cores
Carbon Cell
Big Carbon plate

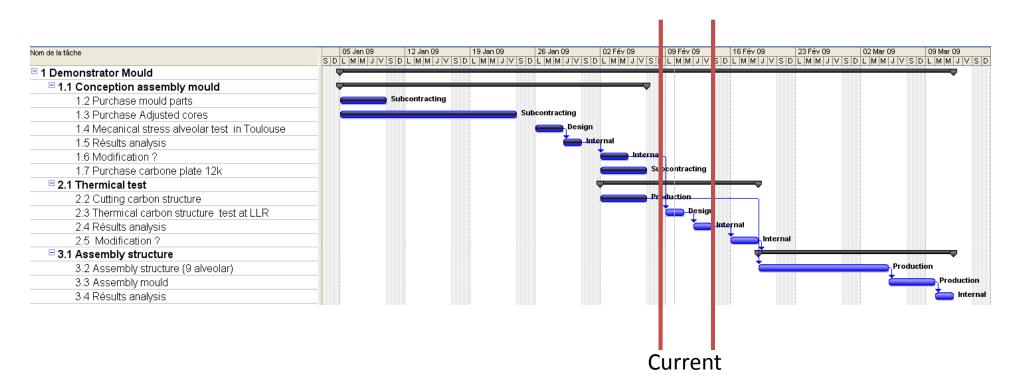

Optical Fiber

#### Progress of project

- -This week, we want to release the thermical test and the analys.
- As a consequence of the results we started the Assembly Mould (probably the next week).
