

2009 Linear Collider Workshop of the Americas

Contribution ID: 348

Type: **not specified**

Consideration on the Field Gradient and Yield toward Re-baselining in TDP2

Thursday, 1 October 2009 17:30 (30 minutes)

Primary author: Prof. YAMAMOTO, Akira (High Energy Accelerator Research Organization (KEK))

Presenter: Prof. YAMAMOTO, Akira (High Energy Accelerator Research Organization (KEK))

Session Classification: GDE: Main Linac
