

EUDET annual meeting 2009

Monday 19/10 - Wednesday 21/10

Monday/Tuesday at Geneva university

Wednesday morning at CERN

Expect ~70 participants

Adjacent to:

- CLIC'09 workshop October 12-16 at CERN
- FCAL meeting October 21-22 at CERN

Preparation team: Martin Pohl + Nathalie Chaduiron (UNIGE), Kate Ross, Lucie Linssen (CERN)

Main website in preparation:

<http://ilcagenda.linearcollider.org/conferenceDisplay.py?confId=4127>

Hostel block booking available

Waiting confirmation from EUDET WP coordinators on number of parallel sessions for each EUDET activity.

EUNET annual meeting 2009

Wednesday 21/10 10-12hr or 9-11 hrs

We plan to schedule **3 “public” talks in CERN's main auditorium:**

- Physics potential of a TeV-scale e^+e^- collider (30 min)
- ILC detector concepts and their adaptation for CLIC (30 min)
- Current world-wide detector R&D efforts for a TeV-scale linear collider (40 min)

Currently waiting for formal agreement from CERN

EUDET annual meeting 2009

Questions:

Do we need to invite the EU project officer for EUDET?
