

Greeting for 10th TB/SGC joint meeting

Accelerator Test Facility

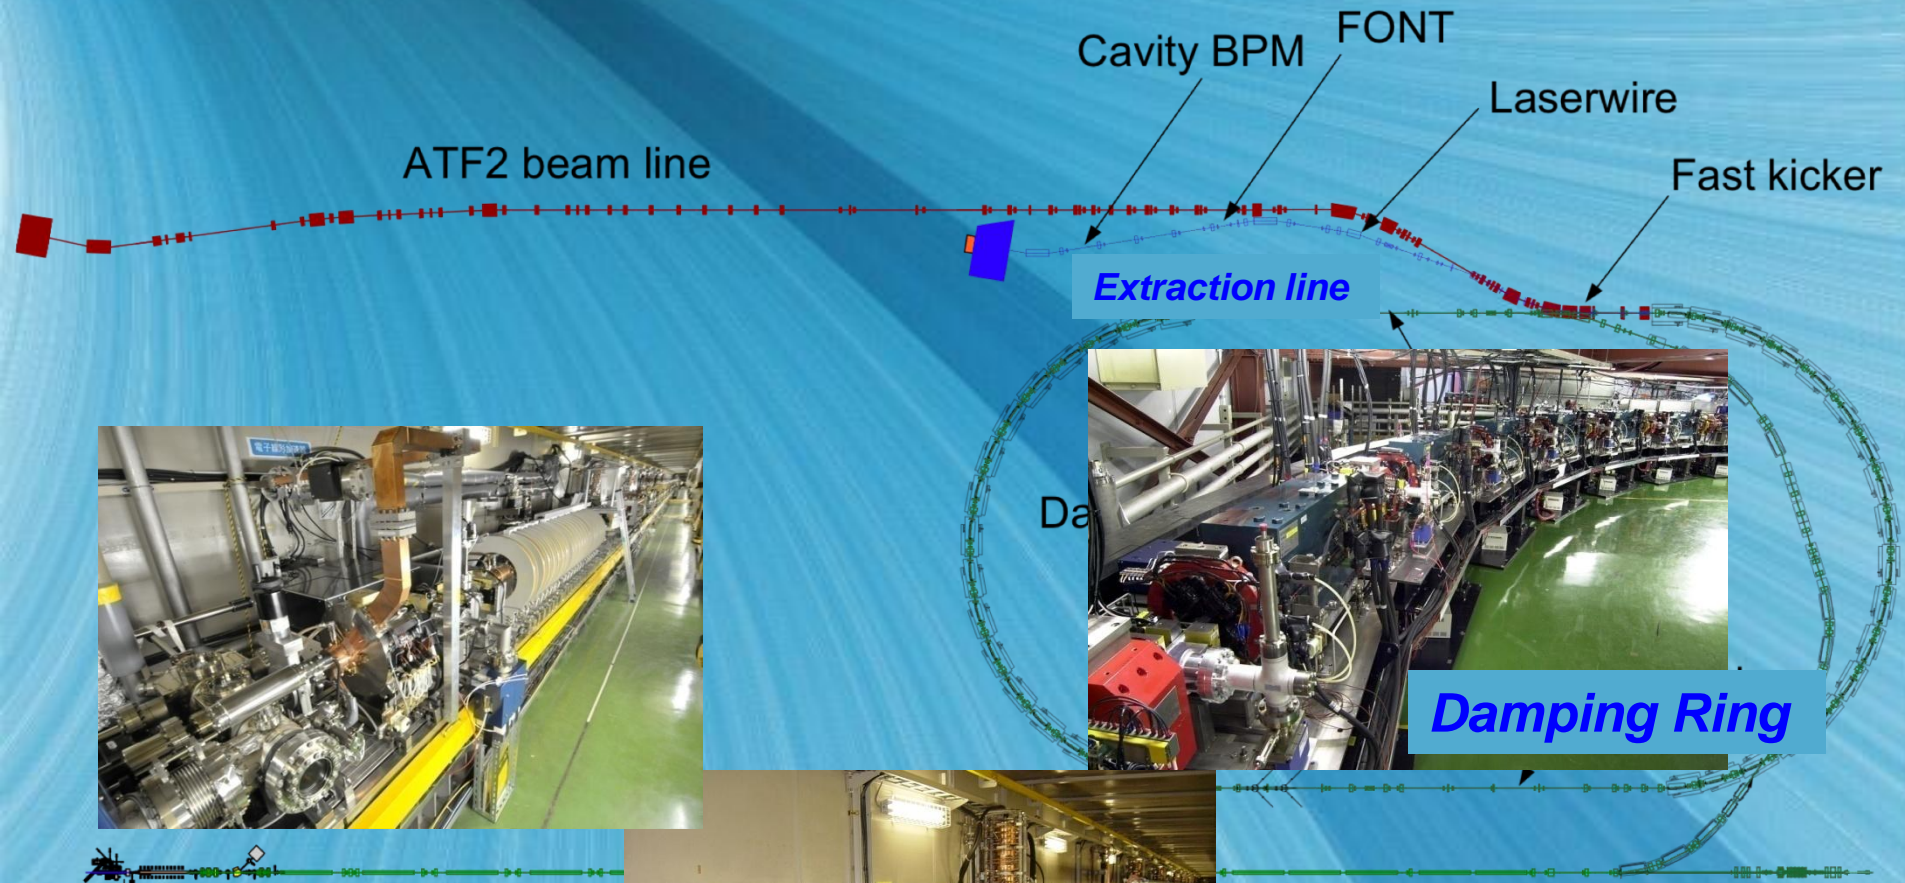

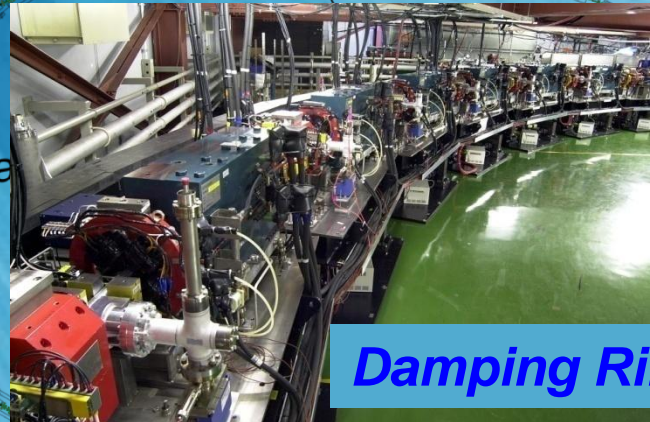

Photo-cathode RF gun
(electron source)

Damping Ring

S-band Linac
 Δf ECS for multi-bunch beam

**We have to consider the future of ATF
from JFY2013.**

**At least, we need the change of ATF MoU
to remove ICFA guideline.
(necessary process : TB and ICB discussion)**

**I hope we will get a good discussion and
results during 10th TB meeting.**

Thank you for your attendance.
