

EUDET WEB FACILITIES

Yan Benhammou
Tel-Aviv University
Eudet web team
Yan.benhammou@cern.ch

How it works ?

- Possibility to upload/download web pages into the www.eudet.org site via web interface : PLONE
- Need to have a login/pwd to plone : just send me a mail -> 1 responsible for 1 activity ?
- Then I will create the links to your pages

TOOLS

- Plone : graphic layer between user and APACHE server. Allows to send file directly to the server
- Frontpage/Dreamweaver : html editor. Allows to create, modify web pages
 - FrontPage : microsoft product
 - DreamWeaver : Macromedia

How to proceed

1. Open your browser
2. Download the template from plone
3. Create your document on your own computer using FP/DW (or create on from scratch)
4. upload it to your plone account on the site www.eudet.org
5. Send me a mail (yan.benhammou@cern.ch) to tell me where to link it

2 download the template ...

4. Export to plone

The screenshot shows a Microsoft Internet Explorer browser window displaying the Plone website's file editor interface. The address bar shows the URL: <http://www.eudet.org/plone/Members/halina/template.html/edit>. The page title is "template — Eudet Plone Site - Microsoft Internet Explorer".

The Plone website header includes the Plone logo and navigation links: home, members, news, events. The breadcrumb trail indicates the current location: you are here: home → members → halina → template.

The "Edit File" form is visible, showing the following fields:

- Title:** document1
- Description:** A short summary of the content
- File:** template.html HTML - 5 KB

The "Choose file" dialog box is open, showing the file list in the "newdesign" directory. The file "na2.html" is selected. The dialog box also shows the "File name" field set to "na2.html" and the "Files of type" set to "All Files (*.*)".

The taskbar at the bottom shows the Windows Start button, several open applications, and the system tray with the date and time: 5:22 PM Monday.

5. Links

1. Send me a mail with the new page address within your phone directory
2. I will create the link from the main page
3. You can update your own page whenever you want
