

The background of the slide is the flag of the European Union, featuring a circle of twelve yellow five-pointed stars on a blue field. The text is overlaid on this background.

European coordination

Yannis Karyotakis
LAPP Annecy le Vieux FR

Goals and actions

- Stepped in that job since 3 weeks
- Try to involve European labs to the SiD design
 - Keep for the moment detector R&Ds and SiD design separate
- Informal contacts with French, Italian, UK labs.
 - Positive attitude but
 - No firm commitment up to now

To be done (short term < July)

- Meet and discuss with the different communities in Europe
- Try to build a core group of few labs before Snowmass
 - Participate on common work on SiD design for Snowmass
- More recruiting in autumn, prepare 2006 CDR
 - An SiD meeting in Europe by the end of the year ?
